### About the author

Canadian born and raised, Jordan has lived in New Zealand for twenty years.

Jordan is an experienced strategy and change consultant and entrepreneur with a strong creative drive.

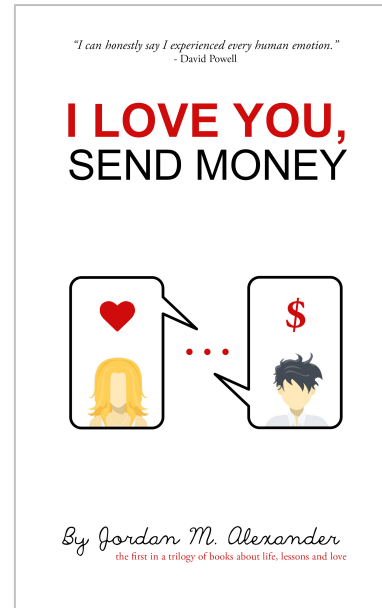

She lives in Wellington with her two daughters and has recently completed her second novel, *Turbulence: an extreme love story* (release date to be confirmed).

### Praise for *I Love You, Send Money*

"A perfect companion for those signing up on a dating site for the first time. Be prepared: read the book then go forth and find your special someone...in that order!" ERIN WHYTE

"Touching and sincere, this is an important story for all of us looking for love in the twenty-first century." JOHN OGDEN

### The first in a trilogy of novels about life, lessons and love

Alexis is a bubbly, warm and cultured Gemini who loves wine and beach walks, but she struggles to find time for a relationship with her work and family commitments.

James is a successful railway consultant who travels the world, adores his teenage son, and feels it's time to love again having mourned the loss of his wife for eight years.

A cautionary tale in an era of online romance scams, this Internet dating romance-with-a-twist brings new meaning to the saying 'All's fair in love and war'.
